

1.0 INTRODUCTION

Application Number; 1514/MUM/2006
Name of Applicant; UNIJULES LIFE SCIENCES LTD,
1505/1, UNIVERSAL SQUARE,
SHANTINAGAR, NAGPUR

Title of Application
"PELLETS OF HERBAL EXTRACTS AND PROCESS FOR PREPARING THE SAME"

2.0 SUBJECT MATTER CLAIMED IN CLAIMS

The instant application has total 4 (Four) as dated 07/03/2012;

WE CLAIM

1. An oral dosage form comprising pellets of an extract of (i) *Momordica charantia* Linn. extract preferably taken as percentage of total final composition in the range of 5% to 30% more preferably to 19%, (ii) *Azadirachta indica* A. Juss. extract preferably taken as percentage of total final composition in the range of 0.5% to 10% more preferably to 1.3%, (iii) *Ocimum sanctum* Linn. extract preferably taken as percentage of total final composition in the range of 0.1% to 15% more preferably to 0.5%, (iv) *Picrorhiza kurroa* Royle ex Benth. extract preferably taken as percentage of total final composition in the range of 0.2% to 10% more preferably to 2.12%, (v) *Zingiber officinale* Roxb. extract preferably taken as percentage of total final composition in the range of 0.1% to 10% more preferably to 1.72%.

Excluding values added products, this is defined as,

(p) "Value added products" means products which may contain portions or extracts of plants and animals in unrecognizable and physically inseparable form.

Therefore, in the present application 'extract' of the plant materials are excluded from the permission sought by biodiversity Authority; thus objection raised for the permission is withdrawn;

4.0 CONCLUSION

Therefore, instant claim 1 is meeting requirement of section 2 (1) (j); thus proceed for grant;
